| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA                                                                                                                                                                                                                                                         |
| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Immunogen                  | Recombinant fragment of human GP2 protein (around aa 35-179) (exact sequence is proprietary)                                                                                                                                                                  |
| Product Description        | GP2 (glycoprotein 2), also known as ZAP75, is a 537 amino acid secreted protein. It is an integral membrane protein that is secreted from intracellular zymogen granules and associates with the plasma membrane via glycosylphosphatidylinositol (GPI) li... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [GP2/3133R]                                                                                                                                                                                                                                                   |
| Molecular Weight           | 59kDa                                                                                                                                                                                                                                                         |
