| Alternative Catalog Number | LS-G132775-2                                                                                           |
| Manufacturer               | LifeSpan Biosciences                                                                                   |
| Category                   | Proteine/Peptide                                                                                       |
| Product Description        | Hexosaminidase A Alpha (HEXa) is a lysosomal enzyme....                                                |
| Molecular Weight           | 28kDa                                                                                                  |
| Tag                        | His, N-Terminal                                                                                        |
| NCBI                       | <a href="#">3073</a>                                                                                   |
| Source                     | E. coli                                                                                                |
| Purity                     | Greater than 97%                                                                                       |
| Form                       | Lyophilized from 20mM Tris, 150mM NaCl, pH8.0, 1mM EDTA, 1mM DTT, 0.01% SKL, 5% Trehalose, Proclin300. |
