| Article Name               | IL-10 non-lytic Recombinant Protein                                                                                                    |
| Biozol Catalog Number      | PRS-90-497                                                                                                                             |
| Supplier Catalog Number    | 90-497                                                                                                                                 |
| Alternative Catalog Number | PRS-90-497-50                                                                                                                          |
| Manufacturer               | ProSci                                                                                                                                 |
| Category                   | Proteine/Peptide                                                                                                                       |
| NCBI                       | <a href="#">3586</a>                                                                                                                   |
| UniProt                    | <a href="#">Q96D42</a>                                                                                                                 |
| Buffer                     | Lyophilized from 0.2um-filtered solution in PBS. Reconstitute in 50 µl sterile water. Add 1X PBS to the desired protein concentration. |
| Source                     | NS1 cells                                                                                                                              |
| Purity                     | >98% (SDS-PAGE). Endotoxin level is less than 0.06EU/ µg protein (LAL test, Lonza).                                                    |
| Form                       | Lyophilized                                                                                                                            |
| Application Notes          | This recombinant proteins is for research use only.                                                                                    |
