## Product Datasheet

### LTbetaR non-lytic Recombinant Protein PRS-90-536

|                            |                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------|
| Article Name               | LTbetaR non-lytic Recombinant Protein                                                      |
| Biozol Catalog Number      | PRS-90-536                                                                                 |
| Supplier Catalog Number    | 90-536                                                                                     |
| Alternative Catalog Number | PRS-90-536-100                                                                             |
| Manufacturer               | ProSci                                                                                     |
| Category                   | Proteine/Peptide                                                                           |
| NCBI                       | <a href="#">4055</a>                                                                       |
| UniProt                    | <a href="#">P08164</a>                                                                     |
| Buffer                     | Lyophilized from 0.2um-filtered solution in PBS. Reconstitute at 100 µg/ml in sterile PBS. |
| Source                     | CHO cells                                                                                  |
| Purity                     | >98% (SDS-PAGE). Endotoxin level is less than 0.06EU/ µg protein (LAL test, Lonza).        |
| Form                       | Lyophilized                                                                                |
| Application Notes          | This recombinant proteins is for research use only.                                        |
