| Alternative Catalog Number | PRS-91-268-0.05                                                                                                                                                                                      |
| Manufacturer               | ProSci                                                                                                                                                                                               |
| Category                   | Proteine/Peptide                                                                                                                                                                                     |
| Molecular Weight           | 24.2 kD                                                                                                                                                                                              |
| NCBI                       | <a href="#">1027</a>                                                                                                                                                                                 |
| UniProt                    | <a href="#">P46527</a>                                                                                                                                                                               |
| Buffer                     | Lyophilized from a 0.2 um filtered solution of 20mM PB, 150mM NaCl, pH 7.2. It is not recommended to reconstitute to a concentration less than 100 ug/ml. Dissolve the lyophilized protein in ddH2O. |
| Source                     | E. coli                                                                                                                                                                                              |
| Purity                     | Greater than 95% as determined by reducing SDS-PAGE.<br />Endotoxin level less than 0.1 ng/ug (1 IEU/ug) as determined by LAL test.                                                                  |
| Form                       | Lyophilized                                                                                                                                                                                          |
| Application Notes          | This recombinant protein can be used for biological assays. For research use only.                                                                                                                   |
