### Ribulose-Phosphate 3-Epimerase Recombinant Protein PRS-92-090

|                            |                                                                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Ribulose-Phosphate 3-Epimerase Recombinant Protein                                                                                                   |
| Biozol Catalog Number      | PRS-92-090                                                                                                                                           |
| Supplier Catalog Number    | 92-090                                                                                                                                               |
| Alternative Catalog Number | PRS-92-090-0.05                                                                                                                                      |
| Manufacturer               | ProSci                                                                                                                                               |
| Category                   | Proteine/Peptide                                                                                                                                     |
| Molecular Weight           | 25.9 kD                                                                                                                                              |
| NCBI                       | <a href="#">6120</a>                                                                                                                                 |
| UniProt                    | <a href="#">Q96AT9</a>                                                                                                                               |
| Buffer                     | Supplied as a 0.2 um filtered solution of 20mM PB, 150mM NaCl, pH 6.2. It is not recommended to reconstitute to a concentration less than 100 ug/ml. |
| Source                     | E. coli                                                                                                                                              |
| Purity                     | Greater than 95% as determined by reducing SDS-PAGE.<br />Endotoxin level less than 0.1 ng/ug (1 IEU/ug) as determined by LAL test.                  |
| Form                       | Liquid                                                                                                                                               |
| Application Notes          | This recombinant protein can be used for biological assays. For research use only.                                                                   |
