| Article Name               | IA2 Recombinant Protein                                                                                                                             |
| Biozol Catalog Number      | PRS-92-293                                                                                                                                          |
| Supplier Catalog Number    | 92-293                                                                                                                                              |
| Alternative Catalog Number | PRS-92-293-0.05                                                                                                                                     |
| Manufacturer               | ProSci                                                                                                                                              |
| Category                   | Proteine/Peptide                                                                                                                                    |
| Molecular Weight           | 35.6 kD                                                                                                                                             |
| NCBI                       | <a href="#">5798</a>                                                                                                                                |
| UniProt                    | <a href="#">Q16849</a>                                                                                                                              |
| Buffer                     | Supplied as a 0.2 um filtered solution of 20mM Tris,150mM NaCl,pH8.0. It is not recommended to reconstitute to a concentration less than 100 ug/ml. |
| Source                     | E. coli                                                                                                                                             |
| Purity                     | Greater than 95% as determined by reducing SDS-PAGE.<br />Endotoxin level less than 0.1 ng/ug (1 IEU/ug) as determined by LAL test.                 |
| Form                       | Liquid                                                                                                                                              |
| Application Notes          | This recombinant protein can be used for biological assays. For research use only.                                                                  |
