### Control Normal Mouse IgG (APC) PRS-98-085

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| Article Name               | Control Normal Mouse IgG (APC)                                          |
| Biozol Catalog Number      | PRS-98-085                                                              |
| Supplier Catalog Number    | 98-085                                                                  |
| Alternative Catalog Number | PRS-98-085-0.1                                                          |
| Manufacturer               | ProSci                                                                  |
| Host                       | Mouse                                                                   |
| Category                   | Antikörper                                                              |
| Application                | FC, FLISA                                                               |
| Concentration              | 0.1 mg/mL                                                               |
| Molecular Weight           | 312.4 . 98.0                                                            |
| Buffer                     | Supplied in PBS/sodium azide and a stabilizing agent                    |
| Form                       | Liquid                                                                  |
| Application Notes          | Normal Mouse IgG (APC) can be used as control in flow cytometry assays. |
