| Product Description        | Mouse Acetyl Coenzyme A Acetyltransferase 2 (ACAT2) ELISA Kit for detecting ACAT2 in tissue homogenates, cell lysates, other biological fluids. Species Reactivity: Mouse (Mus musculus). Detection Range: 0.156-10ng/ml. Sensitivity: 0.059ng/ml. Format:... |
| Range                      | 0.156-10ng/ml                                                                                                                                                                                                                                                 |
| Sensitivity                | 0.059ng/ml                                                                                                                                                                                                                                                    |
