| Product Description        | Rat Cartilage Oligomeric Matrix Protein (COMP) ELISA Kit for detecting COMP in serum, plasma, tissue homogenates, cell lysates, cell culture supernates, other biological fluids. Species Reactivity: Rat (Rattus norvegicus). Detection Range: 6.25-400ng... |
| Range                      | 6.25-400ng/ml                                                                                                                                                                                                                                                 |
| Sensitivity                | 3.02ng/ml                                                                                                                                                                                                                                                     |
