## Product Datasheet

### Anti-TRAF6 (Mouse) pAb, Clone: [Polyclonal], Unconjugated, Rabbit MBL-597

|                            |                                                                   |
|----------------------------|-------------------------------------------------------------------|
| Article Name               | Anti-TRAF6 (Mouse) pAb, Clone: [Polyclonal], Unconjugated, Rabbit |
| Biozol Catalog Number      | MBL-597                                                           |
| Supplier Catalog Number    | 597                                                               |
| Alternative Catalog Number | MBL-597                                                           |
| Manufacturer               | MBL                                                               |
| Host                       | Rabbit                                                            |
| Category                   | Antikörper                                                        |
| Application                | IP, WB                                                            |
| Species Reactivity         | Mouse                                                             |
| Immunogen                  | Recombinant Mouse TRAF6 N-terminal (1-305 a.a.)                   |
| Conjugation                | Unconjugated                                                      |
| Product Description        | Anti-TRAF6 (Mouse) pAb, Rabbit, Polyclonal...                     |
| Clonality                  | Polyclonal                                                        |
| Clone Designation          | [Polyclonal]                                                      |
| Isotype                    | IgG                                                               |
| NCBI                       | <a href="#">7189</a>                                              |
| Buffer                     | PBS/50% glycerol, pH 7.2                                          |

|                    |                                                                                                                                                                              |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Source             | This antibody is an affinity purified rabbit serum using an affinity column. The rabbit was immunized with the recombinant N-terminal amino acids of mouse TRAF6 (1-305 aa). |
| Target             | TRAF6                                                                                                                                                                        |
| Application Dilute | WB: 1:1,000 (chemiluminescence detection system). IP: 2-4 ug/100-500 uL of cell extract from 5x10 <sup>6</sup> cells                                                         |
