| Category                   | Kits/Assays                                                                                                                                                                                                                                                  |
| Species Reactivity         | Human                                                                                                                                                                                                                                                        |
| Immunogen                  | Serum, plasma, cell culture supernatant, and other biological fluids.                                                                                                                                                                                        |
| Conjugation                | Biotin                                                                                                                                                                                                                                                       |
| Product Description        | The ELISA (Enzyme-Linked Immunosorbent Assay) kit is an in vitro enzyme-linked immunosorbent assay for the quantitative measurement of samples in serum, plasma, cell culture supernatants, cell lysates, tissue homogenates and other biological fluids.... |
| Concentration              | 0.08 ng/mL                                                                                                                                                                                                                                                   |
| Molecular Weight           | 4 hours                                                                                                                                                                                                                                                      |
| Range                      | 0.16-10 ng/mL                                                                                                                                                                                                                                                |
| Sensitivity                | 0.08 ng/mL                                                                                                                                                                                                                                                   |
| NCBI                       | <a href="#">114548</a>                                                                                                                                                                                                                                       |

|                    |                                                                       |
