| Immunogen                  | Serum, plasma, cell culture supernatant, and other biological fluids.                                                                                                                           |
| Conjugation                | Biotin                                                                                                                                                                                          |
| Product Description        | The ELISA (Enzyme-Linked Immunosorbent Assay) kit is an in vitro enzyme-linked immunosorbent assay for the quantitative measurement of samples in serum, plasma and cell culture supernates.... |
| Concentration              | 0.39 ng/mL                                                                                                                                                                                      |
| Molecular Weight           | 4 hours                                                                                                                                                                                         |
| Range                      | 0.78-50 ng/mL                                                                                                                                                                                   |
| Sensitivity                | 0.39 ng/mL                                                                                                                                                                                      |
| NCBI                       | <a href="#">12944</a>                                                                                                                                                                           |
| UniProt                    | <a href="#">P14847</a>                                                                                                                                                                          |

|                    |                                                                       |
|--------------------|-----------------------------------------------------------------------|
| Samples            | Serum, plasma, cell culture supernatant, and other biological fluids. |
| Target             | CRP                                                                   |
| Application Dilute | 100 µL                                                                |
| Application Notes  | Shipping: Ice Bag                                                     |
