## Product Datasheet

### **PDCD6IP recombinant monoclonal antibody, clone 7E9, Clone: [7000000000], Monoclonal ABN-RAB04167**

|                            |                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------|
| Article Name               | PDCD6IP recombinant monoclonal antibody, clone 7E9, Clone:<br>[7000000000], Monoclonal                 |
| Biozol Catalog Number      | ABN-RAB04167                                                                                           |
| Supplier Catalog Number    | RAB04167                                                                                               |
| Alternative Catalog Number | ABN-RAB04167-100                                                                                       |
| Manufacturer               | Abnova                                                                                                 |
| Category                   | Antikörper                                                                                             |
| Application                | ELISA, FC, WB                                                                                          |
| Species Reactivity         | Human                                                                                                  |
| Immunogen                  | Original antibody is raised against recombinant protein<br>corresponding to full length human PDCD6IP. |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human and<br>rat PDCD6IP....                     |
| Clonality                  | Monoclonal                                                                                             |
| Clone Designation          | [7000000000]                                                                                           |
| UniProt                    | 10015                                                                                                  |
| Buffer                     | In PBS, pH7.4 (150 mM NaCl, 50% glycerol and 0.02% sodium azide)                                       |
| Form                       | Liquid                                                                                                 |
| Target                     | PDCD6IP                                                                                                |

|                    |                                                                                                                               |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISAFlow Cytometry (1:20-1:200)Western Blot (1:500-1:5000)The optimal working dilution should be determined by the end user. |
