## Product Datasheet

### **RRM1 recombinant monoclonal antibody, clone R08-4D3, Clone: [R08-4D3], Monoclonal ABN-RAB04813**

|                            |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| Article Name               | RRM1 recombinant monoclonal antibody, clone R08-4D3, Clone: [R08-4D3], Monoclonal           |
| Biozol Catalog Number      | ABN-RAB04813                                                                                |
| Supplier Catalog Number    | RAB04813                                                                                    |
| Alternative Catalog Number | ABN-RAB04813-100                                                                            |
| Manufacturer               | Abnova                                                                                      |
| Category                   | Antikörper                                                                                  |
| Application                | ICC, IF, IHC-Fr, IHC-P, IP, WB                                                              |
| Species Reactivity         | Human                                                                                       |
| Immunogen                  | Original antibody is raised against a synthetic peptide corresponding to human RRM1.        |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human RRM1....                        |
| Clonality                  | Monoclonal                                                                                  |
| Clone Designation          | [R08-4D3]                                                                                   |
| UniProt                    | 6240                                                                                        |
| Buffer                     | In 50 mM Tris-Glycine pH 7.4 (0.15 M NaCl, 40% Glycerol, 0.01% Sodium azide and 0.05% BSA). |
| Form                       | Liquid                                                                                      |

|                    |                                                                                                                                                                                                                                             |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | RRM1                                                                                                                                                                                                                                        |
| Application Dilute | Immunocytochemistry (1:50-1:200)Immunofluorescence (1:50-1:200)Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (1:50-1:100)Immunohistochemistry (Frozen sections) (1:50-1:100)Immunoprecipitation (1:20)Western Blot ( |
