## Product Datasheet

### **NOLC1 recombinant monoclonal antibody, clone R03-7F1, Clone: [R03-7F1], Monoclonal ABN-RAB04921**

|                            |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| Article Name               | NOLC1 recombinant monoclonal antibody, clone R03-7F1, Clone: [R03-7F1], Monoclonal          |
| Biozol Catalog Number      | ABN-RAB04921                                                                                |
| Supplier Catalog Number    | RAB04921                                                                                    |
| Alternative Catalog Number | ABN-RAB04921-100                                                                            |
| Manufacturer               | Abnova                                                                                      |
| Category                   | Antikörper                                                                                  |
| Application                | ICC, IF, IHC-Fr, IHC-P, WB                                                                  |
| Species Reactivity         | Human                                                                                       |
| Immunogen                  | Original antibody is raised against a synthetic peptide corresponding to human NOLC1.       |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human NOLC1....                       |
| Clonality                  | Monoclonal                                                                                  |
| Clone Designation          | [R03-7F1]                                                                                   |
| UniProt                    | 9221                                                                                        |
| Buffer                     | In 50 mM Tris-Glycine pH 7.4 (0.15 M NaCl, 40% Glycerol, 0.01% Sodium azide and 0.05% BSA). |
| Form                       | Liquid                                                                                      |

|                    |                                                                                                                                                                                                                                             |
