| Article Name               | TFPI VHH recombinant monoclonal antibody, Unconjugated                                                                |
| Biozol Catalog Number      | ABN-RAB07050                                                                                                          |
| Supplier Catalog Number    | RAB07050                                                                                                              |
| Alternative Catalog Number | ABN-RAB07050-100                                                                                                      |
| Manufacturer               | Abnova                                                                                                                |
| Category                   | Antikörper                                                                                                            |
| Application                | ELISA, FC                                                                                                             |
| Species Reactivity         | Human                                                                                                                 |
| Immunogen                  | Human TFPI recombinant protein                                                                                        |
| Conjugation                | Unconjugated                                                                                                          |
| Product Description        | Alpaca VHH recombinant monoclonal antibody raised against human TFPI....                                              |
| Buffer                     | In 10 mM PBS, pH 7.5 (0.05% sucrose, 0.1% trehalose, 0.01% proclin 300, 50% glycerol)                                 |
| Form                       | Liquid                                                                                                                |
| Application Dilute         | ELISA (1:4000-1:10000)Flow Cytometry (1:200-1:1000)The optimal working dilution should be determined by the end user. |
