## Product Datasheet

### **Mouse IgG3 Fc Gamma fragment VHH recombinant monoclonal antibody, Unconjugated ABN-RAB07108**

|                            |                                                                                                                       |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Article Name               | Mouse IgG3 Fc Gamma fragment VHH recombinant monoclonal antibody, Unconjugated                                        |
| Biozol Catalog Number      | ABN-RAB07108                                                                                                          |
| Supplier Catalog Number    | RAB07108                                                                                                              |
| Alternative Catalog Number | ABN-RAB07108-100                                                                                                      |
| Manufacturer               | Abnova                                                                                                                |
| Category                   | Antikörper                                                                                                            |
| Application                | ELISA, WB                                                                                                             |
| Species Reactivity         | Mouse                                                                                                                 |
| Immunogen                  | Recombinant Fc region of mouse IgG3                                                                                   |
| Conjugation                | Unconjugated                                                                                                          |
| Product Description        | Alpaca VHH recombinant monoclonal antibody raised against Fc region of mouse IgG3....                                 |
| Buffer                     | In 10 mM PBS, pH 7.5 (0.05% sucrose, 0.1% trehalose, 0.01% proclin 300)                                               |
| Form                       | Liquid                                                                                                                |
| Application Dilute         | ELISA (1:5000-1:20000)Western Blot (1:5000-1:20000)The optimal working dilution should be determined by the end user. |
