| Alternative Catalog Number | ABN-RAB07125-100                                                                                                                              |
| Manufacturer               | Abnova                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                    |
| Application                | ELISA, WB                                                                                                                                     |
| Species Reactivity         | Mouse                                                                                                                                         |
| Immunogen                  | Recombinant Fc region of mouse IgG1                                                                                                           |
| Conjugation                | HRP                                                                                                                                           |
| Product Description        | Alpaca VHH recombinant monoclonal antibody raised against Fc region of mouse IgG1. The antibody is conjugated with horseradish peroxidase.... |
| Buffer                     | In 10 mM PBS, pH 7.5 (0.05% sucrose, 0.1% trehalose, 0.01% proclin 300, 50% glycerol)                                                         |
| Form                       | Liquid                                                                                                                                        |
| Application Dilute         | ELISA (1:10000-1:50000) Western Blot (1:10000-1:50000) The optimal working dilution should be determined by the end user.                     |
