| Article Name               | Rabbit IgG(H+L) VHH recombinant monoclonal antibody (Biotin)                                                                                       |
| Biozol Catalog Number      | ABN-RAB07224                                                                                                                                       |
| Supplier Catalog Number    | RAB07224                                                                                                                                           |
| Alternative Catalog Number | ABN-RAB07224-100                                                                                                                                   |
| Manufacturer               | Abnova                                                                                                                                             |
| Category                   | Antikörper                                                                                                                                         |
| Application                | ELISA, IP, WB                                                                                                                                      |
| Species Reactivity         | Rabbit                                                                                                                                             |
| Immunogen                  | Recombinant Rabbit IgG                                                                                                                             |
| Conjugation                | Biotin                                                                                                                                             |
| Product Description        | Alpaca VHH recombinant monoclonal antibody raised against rabbit IgG.The antibody is conjugated with biotin....                                    |
| Buffer                     | In 10 mM PBS, pH 7.5 (0.05% sucrose, 0.1% trehalose, 0.01% proclin 300)                                                                            |
| Form                       | Liquid                                                                                                                                             |
| Application Dilute         | ELISA (1:10000-1:50000)Immunoprecipitation (1-2ug)Western Blot (1:10000-1:50000)The optimal working dilution should be determined by the end user. |
