| Alternative Catalog Number | ABN-RAB07319-100                                                                                                                                                                                                      |
| Manufacturer               | Abnova                                                                                                                                                                                                                |
| Category                   | Antikörper                                                                                                                                                                                                            |
| Application                | ELISA, FC, ICC, IF, WB                                                                                                                                                                                                |
| Immunogen                  | A synthetic peptide corresponding to His tag.                                                                                                                                                                         |
| Conjugation                | iFluor647                                                                                                                                                                                                             |
| Product Description        | Alpaca VHH recombinant monoclonal antibody raised against His tag rabbit IgG Fc.The antibody is conjugated with iFluor647....                                                                                         |
| Buffer                     | In 10 mM PBS, pH 7.5 (0.05% sucrose, 0.1% trehalose, 0.01% proclin 300, 50% glycerol)                                                                                                                                 |
| Form                       | Liquid                                                                                                                                                                                                                |
| Application Dilute         | ELISA (1:5000-1:20000)Flow cytometry (1:200-1:1000)Immunocytochemistry (1:200-1:2000)Immunofluorescence (1:200-1:2000)Western Blot (1:5000-1:20000)The optimal working dilution should be determined by the end user. |
