| Manufacturer               | Abnova                                                                                                                                                                                                                  |
| Category                   | Proteine/Peptide                                                                                                                                                                                                        |
| Application                | AP, Array, ELISA, WB                                                                                                                                                                                                    |
| Species Reactivity         | Human                                                                                                                                                                                                                   |
| Product Description        | Human ARHGDIA full-length ORF ( AAH05851, 1 a.a. - 204 a.a.) recombinant protein with GST-tag at N-terminal....                                                                                                         |
| Tag                        | GST                                                                                                                                                                                                                     |
| UniProt                    | 396                                                                                                                                                                                                                     |
| Buffer                     | 50 mM Tris-HCl, 10 mM reduced Glutathione, pH=8.0 in the elution buffer.                                                                                                                                                |
