| Article Name               | CACNA1F monoclonal antibody (M01J), clone 3B2, Clone: [3B2], Mouse, Monoclonal                                                               |
| Biozol Catalog Number      | ABN-H00000778-M01J                                                                                                                           |
| Supplier Catalog Number    | H00000778-M01J                                                                                                                               |
| Alternative Catalog Number | ABN-H00000778-M01J-100                                                                                                                       |
| Manufacturer               | Abnova                                                                                                                                       |
| Host                       | Mouse                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                   |
| Application                | ELISA, WB                                                                                                                                    |
| Species Reactivity         | Human                                                                                                                                        |
| Immunogen                  | CACNA1F (NP_005174, 1878 a.a. ~ 1977 a.a) partial recombinant protein with GST tag. MW of the GST tag alone is 26 KDa.                       |
| Product Description        | Mouse monoclonal antibody raised against a partial recombinant CACNA1F. This product is belong to Cell Culture Grade Antibody (CX Grade).... |
| Clonality                  | Monoclonal                                                                                                                                   |
| Clone Designation          | [3B2]                                                                                                                                        |
| UniProt                    | 778                                                                                                                                          |
| Buffer                     | In 1x PBS, pH 7.4                                                                                                                            |

|          |                                                                                                                           |
