| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Immunogen                  | Human recombinant NKX2.8 protein fragment (around aa 10-123) (exact sequence is proprietary)                                                                                                                                                                  |
| Product Description        | The protein encoded by this gene is a homeobox-containing developmental regulator associated with liver development. The encoded protein binds to the alpha-fetoprotein (AFP) gene promoter and increases the expression of AFP. This gene is overexpresse... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Concentration              | 1 mg/mL                                                                                                                                                                                                                                                       |
| Clone Designation          | [NKX28/3233R]                                                                                                                                                                                                                                                 |
| Molecular Weight           | 26 kDa                                                                                                                                                                                                                                                        |

|                   |                                                                                                                                                                                                                                                               |
