| Article Name               | Mucin 1 Antibody, Rabbit, Polyclonal                                                                                          |
| Biozol Catalog Number      | AST-B0844                                                                                                                     |
| Supplier Catalog Number    | B0844                                                                                                                         |
| Alternative Catalog Number | AST-B0844-50,AST-B0844-100                                                                                                    |
| Manufacturer               | Assay Biotechnology                                                                                                           |
| Host                       | Rabbit                                                                                                                        |
| Category                   | Antikörper                                                                                                                    |
| Application                | ELISA, IF, IHC-P                                                                                                              |
| Species Reactivity         | Human, Mouse                                                                                                                  |
| Immunogen                  | The antiserum was produced against synthesized peptide derived from human CD227/Mucin 1. AA range:1204-1253                   |
| Clonality                  | Polyclonal                                                                                                                    |
| UniProt                    | <a href="#">P15941</a>                                                                                                        |
| Source                     | Polyclonal, Rabbit                                                                                                            |
| Purity                     | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.         |
| Form                       | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                       |
| Application Dilute         | Immunohistochemistry: 1/100 - 1/300. Immunofluorescence: 1/200 - 1/1000. ELISA: 1/5000. Not yet tested in other applications. |
