| Host                       | Rabbit                                                                                                                |
| Category                   | Antikörper                                                                                                            |
| Application                | IF, IHC                                                                                                               |
| Species Reactivity         | Human, Mouse, Rat                                                                                                     |
| Immunogen                  | Synthesized peptide derived from human CE027 AA range: 12-62                                                          |
| Clonality                  | Polyclonal                                                                                                            |
| UniProt                    | <a href="#">Q52M75</a>                                                                                                |
| Source                     | Polyclonal, Rabbit IgG                                                                                                |
| Purity                     | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| Form                       | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                               |
| Application Dilute         | IHC 1:50-200. IF 1:50-200                                                                                             |
