| Immunogen                  | Synthesized peptide derived from human protein . at AA range: 150-230                                                                                                                                                                                         |
| Product Description        | Mammalian mitochondrial ribosomal proteins are encoded by nuclear genes and help in protein synthesis within the mitochondrion. Mitochondrial ribosomes (mitoribosomes) consist of a small 28S subunit and a large 39S subunit. They have an estimated 75%... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| UniProt                    | <a href="#">Q9BYD6</a>                                                                                                                                                                                                                                        |
| Source                     | Polyclonal, Rabbit IgG                                                                                                                                                                                                                                        |
| Purity                     | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                                                                         |

|                    |                                                                |
|--------------------|----------------------------------------------------------------|
| Form               | Liquid in PBS containing 50% glycerol, and 0.02% sodium azide. |
| Application Dilute | WB 1:500-2000 ELISA 1:5000-20000                               |
