| Article Name               | Strep-Tag II Antibody (Mix), HRP Conjugated, Mouse, Monoclonal                                                                                  |
| Biozol Catalog Number      | AST-N1203                                                                                                                                       |
| Supplier Catalog Number    | N1203                                                                                                                                           |
| Alternative Catalog Number | AST-N1203-100,AST-N1203-50,AST-N1203-500                                                                                                        |
| Manufacturer               | Assay Biotechnology                                                                                                                             |
| Host                       | Mouse                                                                                                                                           |
| Category                   | Antikörper                                                                                                                                      |
| Application                | WB                                                                                                                                              |
| Species Reactivity         | All                                                                                                                                             |
| Conjugation                | HRP                                                                                                                                             |
| Clonality                  | Monoclonal                                                                                                                                      |
| Source                     | Monoclonal, Mouse IgG                                                                                                                           |
| Purity                     | The antibody was affinity-purified from mouse ascites by affinity-chromatography using specific immunogen.                                      |
| Form                       | Liquid in PBS, pH 7.4, containing 0.02% sodium azide as preservative and 50% Glycerol.                                                          |
| Application Dilute         | Optimal working dilutions should be determined experimentally by the investigator. Suggested starting dilutions are as follows: WB 1:2000-5000. |
