| Category                   | Kits/Assays                                                                                                                                                                                                                          |
| Species Reactivity         | Human                                                                                                                                                                                                                                |
| Product Description        | The Human Aminopeptidase contains the components necessary for quantitative determination of natural or recombinant Aminopeptidase N/CD13 concentrations within any experimental sample including cell lysates, serum and plasma.... |
| Range                      | 0.3-20ng/mL                                                                                                                                                                                                                          |
| UniProt                    | <a href="#">P15144</a>                                                                                                                                                                                                               |
| Form                       | Sandwich ELISA                                                                                                                                                                                                                       |
| Samples                    | Plasma, Serum, Cell Culture Supernatant                                                                                                                                                                                              |
| Target                     | Aminopeptidase N/CD13                                                                                                                                                                                                                |
