| Article Name               | Protein Tyrosine Phosphatase 1C (PTP1-C), Clone: [PTY15], Mouse, Monoclonal     |
| Biozol Catalog Number      | ANO-MO-M40043D                                                                  |
| Supplier Catalog Number    | MO-M40043D                                                                      |
| Alternative Catalog Number | ANO-MO-M40043D-0.5MG, ANO-MO-M40043D-0.1MG                                      |
| Manufacturer               | Anogen-Yes Biotech Laboratories                                                 |
| Host                       | Mouse                                                                           |
| Category                   | Antikörper                                                                      |
| Application                | EIA, ICC, WB                                                                    |
| Species Reactivity         | Human                                                                           |
| Immunogen                  | Purified recombinant protein corresponding to full-length PTP1-C                |
| Product Description        | Mouse monoclonal antibody to human protein tyrosine phosphatase 1 C (PTP1-C)... |
| Clonality                  | Monoclonal                                                                      |
| Clone Designation          | [PTY15]                                                                         |
| Isotype                    | IgG1,k                                                                          |
| Purity                     | Protein G affinity purified                                                     |
| Form                       | Aff. pur.                                                                       |

|                    |                                                                                        |
|--------------------|----------------------------------------------------------------------------------------|
| Storage            | Store at -20°C                                                                         |
| Target             | Human protein-tyrosine phosphatase 1 C                                                 |
| Application Dilute | Double distilled water is recommended to adjust the final concentration to 1.00 mg/ml. |
| Application Notes  | ELISA , Western Blot, Immunocytochemistry                                              |
