## Product Datasheet

### Anti-AHSA1 ATA-HPA000903

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| Article Name               | Anti-AHSA1                                                              |
| Biozol Catalog Number      | ATA-HPA000903                                                           |
| Supplier Catalog Number    | HPA000903                                                               |
| Alternative Catalog Number | ATA-HPA000903-100,ATA-HPA000903-25                                      |
| Manufacturer               | Atlas Antibodies                                                        |
| Host                       | Rabbit                                                                  |
| Category                   | Antikörper                                                              |
| Application                | ICC, IHC, WB                                                            |
| Species Reactivity         | Human                                                                   |
| Immunogen                  | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence      |
| Conjugation                | Unconjugated                                                            |
| Product Description        | AHA1, activator of heat shock 90kDa protein ATPase homolog 1 (yeast)... |
| Clonality                  | Polyclonal                                                              |
| Concentration              | 0.1 mg/ml                                                               |
| Isotype                    | IgG                                                                     |
| NCBI                       | <a href="#">10598</a>                                                   |
| UniProt                    | <a href="#">O95433</a>                                                  |

|                    |                                                                                                                                                             |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.                                                                                 |
| Purity             | Affinity purified using the PrEST antigen as affinity ligand                                                                                                |

| Storage            | Store at +4°C for short term storage. Long time storage is recommended at -20°C.                                                                            |
| Target             | AHSA1                                                                                                                                                       |
| Antibody Type      | Monoclonal Antibody                                                                                                                                         |
| Application Dilute | ICC-IF: 0.25-2 µg/ml, IHC: 1:200 - 1:500, WB: 0.04-0.4 µg/ml                                                                                                |
