## Product Datasheet

### Anti-MANSC1 ATA-HPA007955

|                            |                                                                             |
|----------------------------|-----------------------------------------------------------------------------|
| Article Name               | Anti-MANSC1                                                                 |
| Biozol Catalog Number      | ATA-HPA007955                                                               |
| Supplier Catalog Number    | HPA007955                                                                   |
| Alternative Catalog Number | ATA-HPA007955-100,ATA-HPA007955-25                                          |
| Manufacturer               | Atlas Antibodies                                                            |
| Host                       | Rabbit                                                                      |
| Category                   | Antikörper                                                                  |
| Application                | ICC, IHC, WB                                                                |
| Species Reactivity         | Human                                                                       |
| Immunogen                  | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence          |
| Conjugation                | Unconjugated                                                                |
| Product Description        | MANSC domain containing 1...                                                |
| Clonality                  | Polyclonal                                                                  |
| Isotype                    | IgG                                                                         |
| NCBI                       | <a href="#">54682</a>                                                       |
| UniProt                    | <a href="#">Q9H8J5</a>                                                      |
| Buffer                     | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative. |

|                    |                                                                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Purity             | Affinity purified using the PrEST antigen as affinity ligand                                                                                           |
| Sequence           | NISGDKACNLMIFDTRKTARQPNCYLFFCPNEEACPLKPAKGLMSYRIITDFPSL<br>TRNLPSQELPQEDSLLHGQFSQAVTPLAHHHTDYSKPTDISWRDTLSQKFGS<br>SDHLEKLFKMDEASQAQLLAYKEKGHSQSSQFSSD |
| Storage            | Store at +4°C for short term storage. Long time storage is recommended at -20°C.                                                                       |
| Target             | MANSC1                                                                                                                                                 |
| Antibody Type      | Monoclonal Antibody                                                                                                                                    |
| Application Dilute | ICC-IF: 0.25-2 µg/ml, IHC: 1:20 - 1:50, WB: 0.04-0.4 µg/ml                                                                                             |
