## Product Datasheet

### Anti-STK40 ATA-HPA008026

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | Anti-STK40                                                         |
| Biozol Catalog Number      | ATA-HPA008026                                                      |
| Supplier Catalog Number    | HPA008026                                                          |
| Alternative Catalog Number | ATA-HPA008026-100                                                  |
| Manufacturer               | Atlas Antibodies                                                   |
| Host                       | Rabbit                                                             |
| Category                   | Antikörper                                                         |
| Application                | ICC, IHC, WB                                                       |
| Species Reactivity         | Human                                                              |
| Immunogen                  | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Conjugation                | Unconjugated                                                       |
| Product Description        | serine/threonine kinase 40...                                      |
| Clonality                  | Polyclonal                                                         |
| Concentration              | 0.05 mg/ml                                                         |
| Isotype                    | IgG                                                                |
| NCBI                       | <a href="#">83931</a>                                              |
| UniProt                    | <a href="#">Q8N2I9</a>                                             |

|                    |                                                                                                                                                       |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.                                                                           |
| Purity             | Affinity purified using the PrEST antigen as affinity ligand                                                                                          |
| Sequence           | AKALGSGISGNNAKRAGPFILGPRLGNPVPVPSIVQCLARKDGTDDFYQLKILTL<br>EERGDQGIESQEERQGKMLLHTEYSLLSLLHTQDGVVHHHGLFQDRTCEIVE<br>DTESSRMVKKMKKRICLVLDCLCAHDFSDKTADL |
| Storage            | Store at +4°C for short term storage. Long time storage is recommended at -20°C.                                                                      |
| Target             | STK40                                                                                                                                                 |
| Antibody Type      | Monoclonal Antibody                                                                                                                                   |
| Application Dilute | ICC-IF: 0.25-2 µg/ml, IHC: 1:50 - 1:200, WB: 0.04-0.4 µg/ml                                                                                           |
