## Product Datasheet

### Anti-SRI ATA-HPA073666

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | Anti-SRI                                                           |
| Biozol Catalog Number      | ATA-HPA073666                                                      |
| Supplier Catalog Number    | HPA073666                                                          |
| Alternative Catalog Number | ATA-HPA073666-100,ATA-HPA073666-25                                 |
| Manufacturer               | Atlas Antibodies                                                   |
| Host                       | Rabbit                                                             |
| Category                   | Antikörper                                                         |
| Application                | IHC, WB                                                            |
| Species Reactivity         | Human                                                              |
| Immunogen                  | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Conjugation                | Unconjugated                                                       |
| Product Description        | sorcin...                                                          |
| Clonality                  | Polyclonal                                                         |
| Concentration              | 0.4 mg/ml                                                          |
| Isotype                    | IgG                                                                |
| NCBI                       | <a href="#">6717</a>                                               |
| UniProt                    | <a href="#">P30626</a>                                             |

|                    |                                                                                  |
|--------------------|----------------------------------------------------------------------------------|
| Buffer             | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.      |
| Purity             | Affinity purified using the PrEST antigen as affinity ligand                     |
| Sequence           | LNGWRQHFISFDTRSGTVDPQELQKALTTMGFRLSPQAVNSIAKRYSTNGKI<br>TFDDYI                   |
| Storage            | Store at +4°C for short term storage. Long time storage is recommended at -20°C. |
| Target             | SRI                                                                              |
| Antibody Type      | Monoclonal Antibody                                                              |
| Application Dilute | IHC: 1:2500 - 1:5000                                                             |
