## Product Datasheet

### Phospho-Chimaerin beta 2 Antibody BIOTIN, Biotin, Rabbit, Polyclonal FBX-PCHIM-BIOTIN

|                            |                                                                                                           |
|----------------------------|-----------------------------------------------------------------------------------------------------------|
| Article Name               | Phospho-Chimaerin beta 2 Antibody BIOTIN, Biotin, Rabbit, Polyclonal                                      |
| Biozol Catalog Number      | FBX-PCHIM-BIOTIN                                                                                          |
| Supplier Catalog Number    | PCHIM-BIOTIN                                                                                              |
| Alternative Catalog Number | FBX-PCHIM-BIOTIN-100                                                                                      |
| Manufacturer               | FabGennix                                                                                                 |
| Host                       | Rabbit                                                                                                    |
| Category                   | Antikörper                                                                                                |
| Application                | ELISA, WB                                                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                                                         |
| Immunogen                  | Phosphorylated synthetic peptide corresponding to unique amino acid sequence on beta 2 Chimaerin protein. |
| Conjugation                | Biotin                                                                                                    |
| Clonality                  | Polyclonal                                                                                                |
| Isotype                    | IgG                                                                                                       |
| NCBI                       | <a href="#">1123</a>                                                                                      |
| UniProt                    | <a href="#">P15882</a>                                                                                    |
| Purity                     | Affinity Purified                                                                                         |
| Target                     | Phospho-Chimaerin beta 2                                                                                  |
