| Article Name               | PDE4A5 Antibody BIOTIN, Biotin, Rabbit, Polyclonal                                                                                                                                |
| Biozol Catalog Number      | FBX-PD4A5-BIOTIN                                                                                                                                                                  |
| Supplier Catalog Number    | PD4A5-BIOTIN                                                                                                                                                                      |
| Alternative Catalog Number | FBX-PD4A5-BIOTIN-100                                                                                                                                                              |
| Manufacturer               | FabGennix                                                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                                                        |
| Application                | CM, ELISA, ICC, IF, IHC, IP, WB                                                                                                                                                   |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                 |
| Immunogen                  | Synthetic cyclic peptide specific only for PDE4A5 protein. N-terminal sequence modified to achieve desired antigenicity and linker for covalent coupling to blue carrier protein. |
| Conjugation                | Biotin                                                                                                                                                                            |
| Clonality                  | Polyclonal                                                                                                                                                                        |
| Isotype                    | IgG                                                                                                                                                                               |
| NCBI                       | <a href="#">5141</a>                                                                                                                                                              |
| UniProt                    | <a href="#">P27815</a>                                                                                                                                                            |
