## Product Datasheet

### PKC epsilon Blocking Peptide FBX-P-PKCEP

|                            |                                                                                                          |
|----------------------------|----------------------------------------------------------------------------------------------------------|
| Article Name               | PKC epsilon Blocking Peptide                                                                             |
| Biozol Catalog Number      | FBX-P-PKCEP                                                                                              |
| Supplier Catalog Number    | P-PKCEP                                                                                                  |
| Alternative Catalog Number | FBX-P-PKCEP-250                                                                                          |
| Manufacturer               | FabGennix                                                                                                |
| Category                   | Biochemikalien                                                                                           |
| Application                | Immunocompetition, Immunodepletion                                                                       |
| Species Reactivity         | Human                                                                                                    |
| Immunogen                  | Synthetic peptide taken within amino acid region 350-400 on human Protein Kinase C epsilon type protein. |
| NCBI                       | <a href="#">5581</a>                                                                                     |
| UniProt                    | <a href="#">Q02156</a>                                                                                   |
| Target                     | PKC epsilon                                                                                              |
