### Phospho-MAP3K12 Blocking Peptide FBX-P-PMAP3K12

|                            |                                                                                                                   |
|----------------------------|-------------------------------------------------------------------------------------------------------------------|
| Article Name               | Phospho-MAP3K12 Blocking Peptide                                                                                  |
| Biozol Catalog Number      | FBX-P-PMAP3K12                                                                                                    |
| Supplier Catalog Number    | P-PMAP3K12                                                                                                        |
| Alternative Catalog Number | FBX-P-PMAP3K12-250                                                                                                |
| Manufacturer               | FabGennix                                                                                                         |
| Category                   | Biochemikalien                                                                                                    |
| Application                | Immunocompetition, Immunodepletion                                                                                |
| Species Reactivity         | Human                                                                                                             |
| Immunogen                  | Synthetic peptide taken within amino acid region 270-320 on MAP3K12 protein. Phosphorylated S298 & S302 residues. |
| NCBI                       | <a href="#">7786</a>                                                                                              |
| UniProt                    | <a href="#">Q12852</a>                                                                                            |
| Target                     | Phospho-MAP3K12                                                                                                   |
