| Category                   | Kits/Assays                                                                                                                                                                                                                        |
| Application                | ELISA                                                                                                                                                                                                                              |
| Species Reactivity         | Guinea pig                                                                                                                                                                                                                         |
| Product Description        | Guinea Pig TIMP1 ELISA Kit is a sandwich Enzyme-Linked Immunosorbent Assay (sELISA) designed for the in vitro quantitative determination of guinea pig TIMP1 in serum, plasma, tissue homogenates, and other biological fluids.... |
| Range                      | 4.688-300 pg/ml                                                                                                                                                                                                                    |
| Sensitivity                | 2.813 pg/ml                                                                                                                                                                                                                        |
| Samples                    | Serum, plasma, tissue homogenates, and other biological fluids.                                                                                                                                                                    |
| Target                     | TIMP1                                                                                                                                                                                                                              |
