| Application                | ELISA                                                                                                                                                                              |
| Species Reactivity         | Human, Mouse                                                                                                                                                                       |
| Product Description        | FLT3 Cell-Based ELISA Kit is a Enzyme-Linked Immunosorbent Assay designed for the indirect in vitro quantitative determination of FLT3 levels in adherent and suspension cells.... |
| Range                      | > 5000 Cells                                                                                                                                                                       |
| Samples                    | Adherent and suspension cells.                                                                                                                                                     |
| Target                     | FLT3                                                                                                                                                                               |
