| Species Reactivity         | Zebrafish                                                                                                                                                                                                                                                     |
| Immunogen                  | Recombinant Zebrafish Actin protein (1-168AA)                                                                                                                                                                                                                 |
| Product Description        | The acta1b Polyclonal Antibody is applicable for the following applications: ELISA, WB. Host: Rabbit. Species Reactivity: Zebrafish. Immunogen: Recombinant Zebrafish Actin protein (1-168AA). Accession Number: Q6XNL8. Target Synonyms: Actin, alpha ske... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | Lot specific. Please inquire or refer to the datasheet included in the product pouch.                                                                                                                                                                         |
| Buffer                     | 0.03% Proclin 300, 50% glycerol, 0.01M PBS, pH 7.4                                                                                                                                                                                                            |
| Purity                     | >95%, Protein G purified                                                                                                                                                                                                                                      |
| Form                       | Liquid                                                                                                                                                                                                                                                        |
