## Product Datasheet

### Anti-Histone H3 K36M rabbit monoclonal antibody [RM193], Rabbit, Monoclonal RMB-31-1085-00-S

|                            |                                                                             |
|----------------------------|-----------------------------------------------------------------------------|
| Article Name               | Anti-Histone H3 K36M rabbit monoclonal antibody [RM193], Rabbit, Monoclonal |
| Biozol Catalog Number      | RMB-31-1085-00-S                                                            |
| Supplier Catalog Number    | 31-1085-00-S                                                                |
| Alternative Catalog Number | RMB-31-1085-00-S-100                                                        |
| Manufacturer               | RevMAb                                                                      |
| Host                       | Rabbit                                                                      |
| Category                   | Antikörper                                                                  |
| Application                | ChIP, ELISA, IHC, WB                                                        |
| Species Reactivity         | Human                                                                       |
| Immunogen                  | A peptide corresponding to Histone H3 K36M mutant                           |
| Product Description        | Rabbit monoclonal to K36M Histone H3...                                     |
| Clonality                  | Monoclonal                                                                  |
| Clone Designation          | [RM193]                                                                     |
| NCBI                       | <a href="#">8350</a>                                                        |
| UniProt                    | <a href="#">P84243</a>                                                      |
| Buffer                     | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                         |

|                    |                                                                            |
|--------------------|----------------------------------------------------------------------------|
| Purity             | Protein A affinity purified from an animal origin-free culture supernatant |
| Application Dilute | WB: 1:200-1:1000, ELISA: 1:250-1:2500, IHC: 1:100-1:500.                   |
