## Product Datasheet

### Anti-Histone H2A rabbit monoclonal antibody [RM225], Rabbit, Monoclonal RMB-31-1108-00

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | Anti-Histone H2A rabbit monoclonal antibody [RM225], Rabbit, Monoclonal    |
| Biozol Catalog Number      | RMB-31-1108-00                                                             |
| Supplier Catalog Number    | 31-1108-00                                                                 |
| Alternative Catalog Number | RMB-31-1108-00-100                                                         |
| Manufacturer               | RevMAb                                                                     |
| Host                       | Rabbit                                                                     |
| Category                   | Antikörper                                                                 |
| Application                | WB, xMAP                                                                   |
| Immunogen                  | A peptide corresponding to the C-terminus of human Histone H2A             |
| Product Description        | Rabbit monoclonal to Histone H2A...                                        |
| Clonality                  | Monoclonal                                                                 |
| Concentration              | 1 mg/mL                                                                    |
| Clone Designation          | [RM225]                                                                    |
| NCBI                       | <a href="#">3012</a>                                                       |
| UniProt                    | <a href="#">P04908</a>                                                     |
| Buffer                     | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                        |
| Purity                     | Protein A affinity purified from an animal origin-free culture supernatant |

|                    |                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------|
| Application Dilute | WB: 0.5 ug/mL - 2 ug/mL, ICC: 1 µg/mL - 2 µg/mL, ELISA: 0.2 ug/mL - 1 ug/mL, Luminex: 0.2 ug/mL - 1 ug/mL. |
