| Alternative Catalog Number | MCE-HY-P7428-50UG,MCE-HY-P7428-10UG                                                                                                                                                                                                          |
| Manufacturer               | MedchemExpress                                                                                                                                                                                                                               |
| Category                   | Proteine/Peptide                                                                                                                                                                                                                             |
| Product Description        | TGFBR2/TGF-beta RII Protein, Mouse (HEK293, His), His consists of N-terminal ectodomain and C-terminal protein kinase domain with his tag.TGF-beta receptor type-2 is the ligand-binding receptor for all members of the TGF-beta family.... |
| Molecular Weight           | Approximately 25-38 kDa, based on SDS-PAGE under reducing conditions.                                                                                                                                                                        |
| Purity                     | 98                                                                                                                                                                                                                                           |
| Formula                    | 21813(Gene_ID)Q62312-2 (I24-D159)(Accession)                                                                                                                                                                                                 |
| Application Notes          | MCE Product type: Recombinant Proteins                                                                                                                                                                                                       |
