## Product Datasheet

### Mouse Cation-Independent Mannose-6-phosphate Receptor, IGF2R ELISA Kit BTL-E1913MO

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | Mouse Cation-Independent Mannose-6-phosphate Receptor, IGF2R ELISA Kit |
| Biozol Catalog Number      | BTL-E1913MO                                                            |
| Supplier Catalog Number    | E1913Mo                                                                |
| Alternative Catalog Number | BTL-E1913MO-96T                                                        |
| Manufacturer               | BT Lab                                                                 |
| Category                   | Kits/Assays                                                            |
| Application                | ELISA                                                                  |
| Species Reactivity         | Mouse                                                                  |
| Range                      | 1-400ng/L                                                              |
| Sensitivity                | 0.56ng/L                                                               |
| NCBI                       | <a href="#">16004</a>                                                  |
| UniProt                    | <a href="#">Q07113</a>                                                 |
| Samples                    | Serum, plasma, cell culture supernates                                 |
| Target                     | IGF2R                                                                  |
