## Product Datasheet

### Mouse Cytochrome B-245 Heavy Chain, CYBB ELISA Kit BTL-E1992MO

|                            |                                                    |
|----------------------------|----------------------------------------------------|
| Article Name               | Mouse Cytochrome B-245 Heavy Chain, CYBB ELISA Kit |
| Biozol Catalog Number      | BTL-E1992MO                                        |
| Supplier Catalog Number    | E1992Mo                                            |
| Alternative Catalog Number | BTL-E1992MO-96T                                    |
| Manufacturer               | BT Lab                                             |
| Category                   | Kits/Assays                                        |
| Application                | ELISA                                              |
| Species Reactivity         | Mouse                                              |
| Range                      | 20-6000ng/L                                        |
| Sensitivity                | 9.75ng/L                                           |
| NCBI                       | <a href="#">13058</a>                              |
| UniProt                    | <a href="#">Q61093</a>                             |
| Samples                    | Serum, plasma, cell culture supernates             |
| Target                     | CYBB                                               |
