## Product Datasheet

### PCNA Monoclonal Antibody, IgG2a, Clone: [9C6], Unconjugated, Mouse ELA-AN005350L

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | PCNA Monoclonal Antibody, IgG2a, Clone: [9C6], Unconjugated, Mouse |
| Biozol Catalog Number      | ELA-AN005350L                                                      |
| Supplier Catalog Number    | AN005350L                                                          |
| Alternative Catalog Number | ELA-AN005350L-100UL, ELA-AN005350L-25UL                            |
| Manufacturer               | Elabscience                                                        |
| Host                       | Mouse                                                              |
| Category                   | Antikörper                                                         |
| Application                | IHC, IP, WB                                                        |
| Species Reactivity         | Human, Mouse, Rat                                                  |
| Immunogen                  | Recombinant human PCNA protein expressed by E.coli                 |
| Conjugation                | Unconjugated                                                       |
| Clonality                  | Monoclonal                                                         |
| Concentration              | 1 mg/mL                                                            |
| Clone Designation          | [9C6]                                                              |
| Molecular Weight           | calculated mw: 29 kDa. observedmw: 33 kDa                          |
| Isotype                    | IgG2a                                                              |
| UniProt                    | <a href="#">P12004</a>                                             |

|                    |                                                                             |
|--------------------|-----------------------------------------------------------------------------|
| Buffer             | PBS with 0.02% sodium azide, 1% protective protein and 50% glycerol, pH 7.4 |
| Purity             | Protein A/G Purification                                                    |
| Target             | PCNA                                                                        |
| Application Dilute | WB 1:2000-1:4000,IP 4ug/sample,IHC 1:200-1:400                              |
