| Article Name               | Recombinant Human HMGB1 protein(His Tag)                                                                                                                                                                          |
| Biozol Catalog Number      | ELA-PKSH034144                                                                                                                                                                                                    |
| Supplier Catalog Number    | PKSH034144                                                                                                                                                                                                        |
| Alternative Catalog Number | ELA-PKSH034144-100UG,ELA-PKSH034144-20UG                                                                                                                                                                          |
| Manufacturer               | Elabscience                                                                                                                                                                                                       |
| Category                   | Proteine/Peptide                                                                                                                                                                                                  |
| Application                | Cell Culture                                                                                                                                                                                                      |
| Species Reactivity         | Human                                                                                                                                                                                                             |
| Molecular Weight           | calculated_mw: 25.7 kDa. observed_mw: 35 kDa                                                                                                                                                                      |
| Tag                        | C-His                                                                                                                                                                                                             |
| NCBI                       | <a href="#">09429</a>                                                                                                                                                                                             |
| UniProt                    | <a href="#">P09429</a>                                                                                                                                                                                            |
| Expression System          | E.coli                                                                                                                                                                                                            |
| Purity                     | > 98 % as determined by reducing SDS-PAGE.                                                                                                                                                                        |
| Form                       | Lyophilized from sterile PBS,pH 8.0.Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization.Please refer to the specific buffer information in the printed manual. |
| Sequence                   | Met 1-Glu 215                                                                                                                                                                                                     |
