| Alternative Catalog Number | ELA-PKSM040580-1MG,ELA-PKSM040580-100UG                                                                                                                                                                           |
| Manufacturer               | Elabscience                                                                                                                                                                                                       |
| Category                   | Proteine/Peptide                                                                                                                                                                                                  |
| Application                | ELISA                                                                                                                                                                                                             |
| Species Reactivity         | Mouse                                                                                                                                                                                                             |
| Molecular Weight           | calculated_mw: 102 kDa. observed_mw: 41.8&87.2 kDa                                                                                                                                                                |
| Tag                        | C-His                                                                                                                                                                                                             |
| NCBI                       | <a href="#">13881</a>                                                                                                                                                                                             |
| Expression System          | HEK293 Cells                                                                                                                                                                                                      |
| Purity                     | > 90 % as determined by reducing SDS-PAGE.                                                                                                                                                                        |
| Form                       | Lyophilized from sterile PBS, pH 7.4Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization.Please refer to the specific buffer information in the printed manual. |
| Sequence                   | Met 1-Asn 929                                                                                                                                                                                                     |
