## Product Datasheet

### Rabbit anti-Ki-67 (Probe), Clone: [SP6], Monoclonal ZYT-SA-BRB040

|                            |                                                     |
|----------------------------|-----------------------------------------------------|
| Article Name               | Rabbit anti-Ki-67 (Probe), Clone: [SP6], Monoclonal |
| Biozol Catalog Number      | ZYT-SA-BRB040                                       |
| Supplier Catalog Number    | SA-BRB040                                           |
| Alternative Catalog Number | ZYT-SA-BRB040                                       |
| Manufacturer               | Zytomed Systems                                     |
| Host                       | Rabbit                                              |
| Category                   | Antikörper                                          |
| Application                | FC, IHC-P                                           |
| Species Reactivity         | Human, Mouse                                        |
| Immunogen                  | Rabbit IgG                                          |
| Clonality                  | Monoclonal                                          |
| Clone Designation          | [SP6]                                               |
| Buffer                     | Citrate                                             |
| Form                       | Ready-to-use                                        |
| Storage                    | 2°C to 8°C                                          |
| Application Notes          | Positive control: Tonsil                            |
